

**ZOO** CONNECTING  
**MIAMI** CARING  
CONSERVING

# LET'S START

MAKING MEMORIES & MAKING A DIFFERENCE

# Field TRIPS

Escape the classroom and immerse your students in hands-on learning experiences that promote an understanding of wildlife, animal welfare, and conservation.

At Zoo Miami, numerous learning opportunities await, from encountering majestic giraffes up close to enjoying a 45-minute guided tram tour for both entertainment and relaxation.

Witness environments teeming with life as you commit to taking action for wildlife and learn what you can do you to contribute to conservation.

# Education RATES

**SCHOOL/CAMP** \$10.00 ADMISSION PER STUDENT

# Zoo Miami

## CAN VISIT YOUR SCHOOLS

Developing connections and partnerships with schools help us meet your requirements. We can provide flexible and tailored field trip choices guided by your needs by offering professional development workshop for teachers!

Come meet our education team, and learn how to become an environmental steward in and outside of your classroom. This workshop will provide you with best practices to coordinate your next Zoo Miami field trip, learn about new classroom resources, and how to create a connection between your class and our natural world.

# Limited ENHANCEMENTS

## ANIMAL FEEDINGS:

**\$2.50** PER PERSON

Witness the enchanting abilities of our amazing giraffes as they deftly use their 18-inch tongues to take food from your hand. Visit our friendly birds as they gracefully land on your arms, and even heads to sip sweet nectar. These exceptional and memorable encounters offer a one-of-a-kind and remarkable experience.

## TRAM TOUR:

**\$6.54** \*35 MINIMUM REQUIRED

Embark on a thrilling 45-minute guided tour with entertaining stories and fun facts about the zoo's amazing wildlife, and conservation.

## PRESENTATIONS:

INCLUDED WITH ADMISSION

Meet our amazing animal ambassadors. Students will have the opportunity to see a diverse range of animals and gain insights into various topics, including their natural behaviors, the techniques our keepers use to train them, and our ongoing conservation efforts.

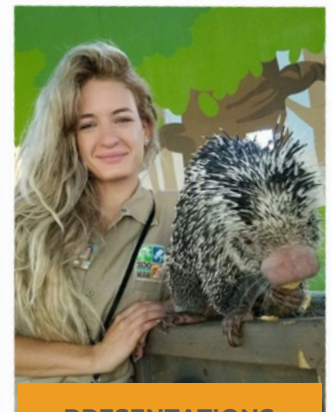

Visit [zoomiami.org/activities](https://zoomiami.org/activities) for more information.

# Education PROGRAMS

Our 30 minute educational programs are engaging, align with the curriculum, and connect with school learning objectives. These programs may consist of interactive and/or hands-on activities tailored to various age groups, and subjects.

**SENSATIONAL SENSES:** K - 5th grade **\$5.00** PER PERSON

Let's explore the five senses! Did you know that predator and prey have different eye positions? The program's focus on exploring the five senses in an engaging and interactive manner that with the developmental stage and interests of children in this age group.

**CREATURE FEATURE:** K - 8th grade **\$5.00** PER PERSON

Animals at Zoo Miami have wild and fascinating stories they'd love to share with you. It meets the standards for 4th-grade writing assessments and aligns with the 8th-grade writing standards. Additionally, this program aligns with the Next Generation Science Standards.

**CUSTOM PROGRAM:** **\$10.00** PER PERSON

Zoo Miami provides students with opportunities to engage with wildlife and the environment with custom programs.

# Education PROGRAMS

## **Astonishing Adaptations:**

6th - 8th grade

**\$10.00** PER PERSON

The world is filled with wacky animals and their unbelievable abilities. Some shoot bubbles as hot as the surface of the sun while others release smells through their feet! Learn about all the different types of adaptations and how you can find them in animals everywhere.

## **Zoo-lympics:**

K - 12th grade

**\$10.00** PER PERSON

Can you outrun a cheetah? Jump higher than a kangaroo? Challenge a flamingo to a three-legged race? See how your skills measure up to some incredible animal abilities, and bring your A-game because these competitors are going for gold!

## **Zoo Expedition:**

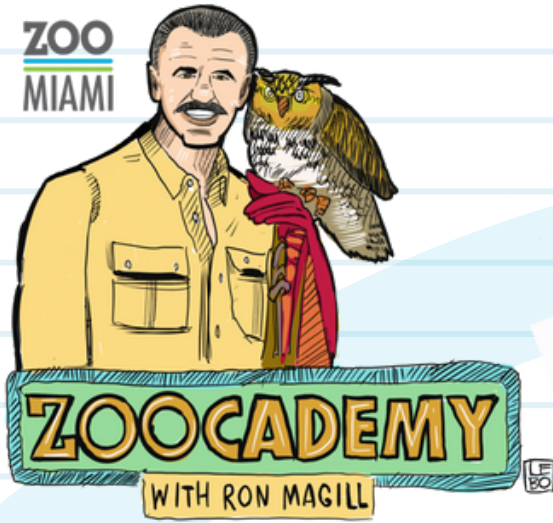

K - 12th grade

**\$10.00** PER PERSON

Experience the wonder of one of the many regions displayed at Zoo Miami. Take on an Asian Odyssey, or an African Safari with these educator guided tours focusing on animals that live in their respective regions. Includes feeding tickets or animal presentation if available.

# Online RESOURCES

Teachers are welcomed to use our educational resources and materials for teachers to use before, during, and after their visit. This can include pre-visit lesson plans, post-visit activities, and supplemental resources to extend the learning experience beyond the attraction visit.
